Items discussed:

Think Tank/Brainstorming Meeting will be held at El Matador on Mays on Thursday April 22nd at 6 pm. If you have ideas for the booster club please come and share! ☺

A shout out to Sonny Diaz for the great web site and a reminder that all forms for upcoming summer camps are located there.

Powder Puff Football Game: **May 6th** Freshmen, JV and Varsity players will be coaching and Boosters will be running concessions and selling Dragon merchandise.

Spring Football starts Monday April 19th. Date for Spring game has not been decided. Booster will run concession and sell merchandise at the game.

Fundraising /Community Service opportunity just around the corner. Boosters have been asked to run the concession stand at Old Settlers again for a girl's softball tournament. **June 4-6.** They provide everything all we have to do is show

up and man the stand. ☺ This raises \$\$\$\$ for our organization and counts as volunteer hours for our boys. Mark your calendars. ☺

New 7 team district: Round Rock, Westwood, Mc Neil, Stony Point, Georgetown, Pflugerville, and Leander. 2010 schedule is still being finalized.

Looking for volunteers to be the coordinators for the Freshmen, JV and Varsity so plans can be made this summer for a great start to a new season in the fall.

Welcoming our Freshmen: Plans are underway for a "Fish Gathering" to welcome new comers to the organization and football program. Spread the word to our feeder middle schools: Chisholm, Walsh and Cedar Valley to check web site regularly for info. ☺

Reminder of Summer Events: Another reminder to check web site for information and forms concerning Explosion Camp (June 7-July 23) and Freshmen Football Orientation (July26-29).

Meeting was adjourned by President Tim Rieger.
